ngton and Baltimore will visit New York ome time between Tuesday and Thursday of next week with a view to per suading the Aero Club of America to ase its voice and influence in bringing the next international aviation meet to some point between the two Southern cities. This was decided by the joint delegation representing the aviation committees of Washington and Baltimor which met at the home of Thomas F Walsh yesterday afternoon.

The meeting at Mr. Walsh's residence was convened about 4 o'clock, with harles J. Bell as acting chairman, Mr. Walsh declining to run things in his own Besides Gen. Allen and the representation of local aeronautical enthusi-asts, was a delegation from Baltimore consisting of Judge O'Neal, Col. Jerome H. Joyce, Gen. Clinton L. Riggs, W. H. ehsenfeld, and J. P. O'Connor.

As soon as the committee meeting was called to order Commissioner Macfarand moved that the committees from Baltimore and Washington be formed nto a joint body of ten, with Mr. Walsh as chairman, to visit the "powers that be" in the aeronautical world at New York and bring them to this city

Baltimore Share Assured, Col. Joyce, although he declined to give figures, assured the meeting that subscriptions sufficient to assure Baltimor that there would be no difficulty in raising its half of the \$100,000 guarantee were already in hand. Clarence F. Norment next week this city could offer the guarantee and begin active operations. The site for the meet will not be selected until the committee chosen by the Aero Club of America comes to this part of the country and views several sites already picked by Gen. Allen and

Gen. Allen said that his committee had seen every available place in and around Washington and Baltimore, and were in a position to explain the advantages of the sites to the Aero Club as soon as it arrives here.

A \$3,000 Purchase of UNDERWEAR

Otto E. Dryfoos, New York City, Sells His Entire Surplus Stock to the Hecht Stores!

Here's the story of one of the most extraordinary purchases of underwear that has ever been consummated by any Washington store, nearly \$3,000 worth of high-grade underwear coming to us at a mere fraction of what it is honestly worth. Otto E. Dryfoos, 274 Church street, New York, one of the leading underwear wholesalers and importers, owing to the backward season, had accumulated in his stockrooms many thousands of garments that should long ago have been in the hands of the retailers. In order to quickly clear them out he made the greatest sacrifice of his careerand, to shorten a long story, we got them; they are here, and this morning go on sale at prices that will create the biggest kind of a sensation. Here's the money-saving answer to the winter under-

BODY OF SLAIN GIRL FOUND

Mystery Surrounds Tragic Death of Young Negress.

White Youth, Hunting Near Chesapeake Beach Junction, Finds Mutilated Form in Leaves.

With the discovery vesterday afternoon of the mutilated body of an unidentified negro girl in the woods about one-half nile east of Chesapeake Junction, a mystery was born which defies solution.

find a clew. The details of the discovery, briefly stated, are simple. Roy Rollins, eighteen years old, was nunting on the farm of George Palmer, Seat Pleasant, Prince George County,

Md. It was about 3:30 o'clock in the aft-200 yards from the Chesapeake Beach Railroad. His dogs were running in

approached and prepared to shoot, when he saw the upturned face of a negro girl and stepping a little nearer he saw her throat was cut. Frightened, the boy turned and ran at

ull speed, followed by the dogs, The news spread like wildfire, and in a short time a hundred or more persons had gathered about the pile of leaves in the woods. Evidences of a struggle were found on the ground about the body, and In the opinion of Henry O. Totten, the sum now offered will not be sufficient to life. Her head had been almost severed Her head had been almost severed and in the cheek was a gash about four

of the body. Sheriff Frank Hurd was summoned and began an investigation In the opinion of county officials the gir was murdered in Washington and her body removed to Maryland for conceal-This theory is not held by the

Inspector Boardman dispatched Detective Sergeants Burlingame and Weeder to the scene and they began an investiga-tion. The detectives were unable to solve the mystery. An inquest will be held to-

Funeral of Gas Victims,

Funeral services for Thomas Mangan, a veteramploye of the public gardens, and his wife, Mary Mangan, who were found dead from inhaling illu minating gas in the kitchen of their home, at 7 Seventh street northeast, had not been arranged at a late hour last night. Relatives say it is probable services will be held Tuesday. It has not been decided whether the funeral will be from a church or Lee's undertaking establishment at 222 Penusylvania avenue, where the bodies were taken.

Thousands of persons read the "want page" every day. If you are not one of them you will find it to your interest to do likewise.

THREE CARS IN COLLISION

Accident Due to Fog-Three Persons Slightly Injured.

Three cars of the City and Suburban Railway were in collision at Rhode Island avenue and Twelfth street northeast about 8:26 o'clock vesterday morning, three persons receiving minor injuries. Thirty school children were panic stricken, and although none was hurt, several returned to their homes suffering from nervousness and shock. L. Lindsay. motorman of one of the cars, was removed to Casualty Hospital suffering frem cuts about the neck and body in-

flicted by flying glass. Charles Kelly, of Woodridge, Md., reeived a cut on one hand The accident was probably due to fog Washington detectives were unable to almost impossible for the motormen to see. Car 405 stopped at the intersection of Rhode Island avenue and Twelfth

street, and while at a standstill it was struck in the rear by car 415. While those who had been thrown from their feet were being helped car 411 crash-Md.
